

Here are some ways to pray for our children and youth who attend school:

Pray For Students...

- Praise God for all that he is doing on campuses through Christian students.
- Ask that Christian students will be strengthened in their faith in Christ, that they would be wise and serve others around them.
- Pray that everyone on campus would have the opportunity to hear the gospel and clearly understand how to put his or her trust in Jesus.
- Ask that students would come to know Christ personally and a spiritual movement would grow on the campus.
- Pray that Christian students and teachers will minister to students who have physical, emotional and family needs.
- Pray for unity on the campus among Christians and that together they will reach out to their school.
- Pray for an atmosphere of respect and unity on campus, socially and racially.

Pray For Educators...

- Thank God for the many educators who honor God with their lives and faith.
- Ask that God would give wisdom to the administrators, teachers and school board members, making God honoring decisions.
- Pray that all school staff including teacher assistants, cooks, bus drivers and maintenance personnel would be encouraged in their work.
- Pray that your school educators will experience the love and concern of Christ through Christian students and adults.
- Ask that educators would come to know Christ personally and follow Him

Pray For Youth Leaders And Parents...

- Praise God for parents who are praying for their children, and youth leaders who are investing daily in teens across America and the world.
- Pray that families in your community would be restored by putting their faith in Jesus Christ.
- Pray for wisdom for parents as they raise and guide their children.
- Pray that youth leaders will be faithful and fruitful in the good work they do with youth.
- Ask that youth leaders from churches and organizations will unite and reach out to every student by praying, caring and advancing the good news of Jesus.
