

A Christmas Letter

Dear Brothers and Sisters of MBC,

On behalf of my family, I want to express our gratitude to all of you. How thankful we are to be able to call you our family in Christ! This past year has been particularly difficult. In the midst of everything that has happened in 2020, our fellowship has grown sweeter.

During the month of November, it became evident to me that I was focusing too much upon my responsibilities. My focus has shifted to the privileges, which the Lord has granted to me. It is a great privilege be involved in providing leadership for MBC, together with our team of elders.

The responses of the people of MBC have been very encouraging. We could have easily been divided by various events. Your commitment to the “unity of the Spirit in the bond of peace” has led to the results, which we are currently enjoying.

Based on these experiences, it is with confidence that we look forward to 2021. Please be praying for the elder team and our families. The elders will have many topics to address, as we seek to “shepherd the flock of God among us.”

My prayer for us, during this holiday season, is that we would have a fresh appreciation for the fact that “the Word became flesh and dwelt among us...” Jn.1:14

May your family have a Blessed Christmas and a Happy New Year.

In the Love of Christ,

Todd McAllister (Executive Pastor)
