Hello everyone, Happy Thanksgiving to you and your family. Hope the Lord has given everyone enough to be thankful for.

We have seen and experienced the goodness of the Lord in so many ways. The congregation has pick up in terms of attendance. Also many are showing more commitment and are involved in service to the Lord. Please continue to pray for Bro. Haresh, Joshua and Raj, they are still travelling 1 hour each way on Sundays to assist at Hampshire.

Recently our public schools are opened. Hanna can now attend in class room learning, after being home and doing school online, for more than 18 months. Many are fully vaccinated and are experiencing some level of freedom to travel, do business and enjoying some activities like before COVID. Myself and family are also fully vaccinated. We thank God for the wisdom and will He has given, and for the availability of the vaccine. Continue to pray for safety and protection, will continue to be around those who are always out and about doing the work of the Lord.

During the course of the past few months, the guys are busy working at Alness. A lot of work is finished along with much more to be done. We praise the Lord for you our faithful praying partners in the work of the Lord. Continue to pray that the rest of the work will come to a completion and all the expenses will be covered. Pastor Andy and Kathleen are in the USA and they are sharing with supporting individuals, churches and organizations about what God is doing in Guyana. They are going to be there through November.

Please continue to pray for all the pastors and students. Some have been tempted to drift and lost a little momentum in what they are called to do. Let's join in prayers for all upcoming events and activities that are still ahead, classes, harvest and thanksgiving services, and the Christmas celebrations. Please pray for God's wisdom and provisions.

Myself, Naomi, Josh and Hanna, expressed our continual thankfulness and gratitude for your prayers and encouragements. You truly, are very supportive and it helps to stay faithful in the work of the Lord. We count it a joy to be able to serve the Lord.

Have a great and blessed Fall and Thanksgiving season.
