# Ribbon Roads

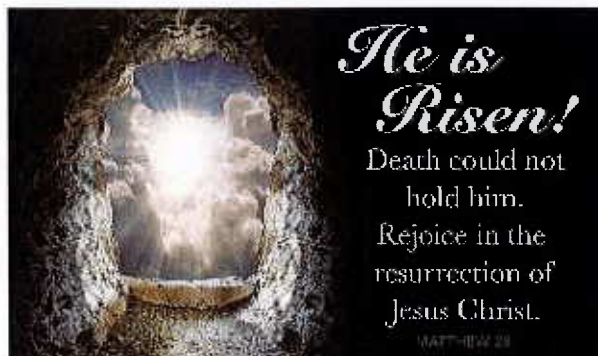

Dear Friends;

April 2022

We have had an eventful month. First, Amanda had to go in for major surgery in Dublin. She came home from surgery, and a week later, Amanda woke up from a nap and felt like someone had punched her in the side. She was soon rushed back into hospital with a blood clot on her left lung. We are so thankful that the Lord goes before us. In a world where you must wait and wait to be seen by a doctor, Amanda was seen right away and had a bed within a few hours. She gains strength daily but will have to take it easy for the next 6-8 weeks to recover. Her body feels weary and battered, but we are all so thankful for God's intervention and care over her.

After two years of waiting to have our in person Church Easter activities again, we are looking forward to worshipping together during this time. We will be having a Good Friday Service and our Early morning Communion Service and Breakfast, followed by our Easter Service. Unfortunately, we are facing an increase in Covid cases here, limiting attendance as people become close contacts.

God moves people around the world, and we have seen with the horrific, heartbreaking situation in Ukraine that God is moving people all over Europe. Pray for your missionaries in Europe. We have a new group of people to reach with the Gospel. Ireland is taking in many Ukrainians. Already here in Tralee, there are over 800 Ukrainians in various locations. Pray for us as we seek to know how to minister with sensitivity to the people of Ukraine as they deal with trauma and much loss.

As we approach Easter, may our reflection be on what marvellous work Christ did on our behalf. So undeserved. Let us rejoice that Christ the Lord has Risen!!

Mark 16
