2022-07-30

Dearly beloved in Christ, greetings to you and yours as you enjoy these warm and sunny days. It is truly a delight to share of the Lord's great leading and provision throughout the past few months.

Let me take a moment to go back a little in time. In 1999, I was enrolled at the BBI, and started taking classes with the desire to serve in the ministry. Long story, short, in the year 2005, I was installed as the fulltime pastor of the CWC Bible Church, and in June of this year I graduated with my Doctorate in ministry. I praise The Lord Jesus Christ for bringing me through all these years. I thank the Lord for my family, who are always supporting in the work of the Lord. Special thanks to Dr. Andy Girwarnauth, Dr. Gary Debock and Dr. Birbal Boodram and the many others who have imputed in my life. Most of all I would like to praise God from whom all blessings flow. Please continue to pray for us as we serve in the work of the KING, here in CWC and Guyana.

Continuing to praise God. We had a great class with Dr. Ryan and Jennie Clevenger, during the month of June. They came a taught at the Bible Institute, on various subjects, (child abuse, ethics in the church, owning and operating a camp). We are blessed to have many looking out for the best interests of the Association.

Following the 7 days of classes. On the 11th-14th, camp was held at the Alness Bible Camp and Conference Center. We had the delight of staying at the camp, 5 team members from the USA, 1 from Argentina, 6 from the county of Demerara in Guyana and my family. The kids came everyday for camp from 8am until 3pm. Over the course of the 4 days of camp, 46 young people indicated that they trusted Christ as Lord in their lives. Over all we had a great time. Many labored diligently to prepare the place and get it ready for the activities, others prepared meals, others taught Bible Lessons, while many served as leaders and helpers. Please continue to pray for all the ongoing work presently carried out to make the facilities ready for overnight camp. Please pray also for God's continual provision and leading.

Some upcoming events that are yet to be done are, hosting of the optometry clinic at Alness Bible Church. This is planned to be done in August 2022. Your prayers are needed for the doctors, helpers, and even the authorities on our side to cooperate and grant smooth passage to bring in necessary supplies and equipment for the clinic.

Concerning the remaining work to be done on the swimming pool, we are awaiting the arrival of the coping tiles and our good friend from Tobago. Everything else is in country, Lord's will if work restart during next week the pool can be done in time for the Eye team to be the first to use it. Please keep this in your prayers.

My family is doing wonderful in the grace and strength of the Lord. Both of our children are in transition in school. Joshua is enrolled in the University of Guyana. He has started with on line classes for 6 weeks and then will have to take an exam for assessment. Hanna will be starting her final year in High School come September. Your continual prayers are always welcome and needed.

Naomi, Joshua, Hanna and I, sends our greetings and sincere thanks for all you do for us and the ministry. Blessings and Prayers.
