## -MOVEMENT-

**Evidence of MOVEMENT that I get to witness first hand in the students lives, that I meet with;**

**\*Breaking Free of sin patterns.**

**\*Learning and seeking out how to live differently in an environment that is contrary to her values.**

**\*Breaking Free from a high controlling manipulative person in her life.**

**\*Breaking Free from destructive thoughts from an abusive father into healing.**

**\*Learning how to hear the Spirit's voice as she seeks Him and what her next steps are after graduation.**

### **Greetings from Happy Valley!**

I have had the privilege of seeing God at work, front and center, in some beautiful women's lives that I meet with regularly. Jeremiah 2:13 talks about Jesus as the Spring of living water. Movement. Life. God has been showing me this semester how He MOVES. The Holy Spirit is defined in the Bible as a being who MOVES. In Matthew 3:16, He *descends*, in Matt 4:1, *leads*, Eph 5:18, *fills* 2 Cor 3:6, *gives life* John 14:26; *counsels* Ro 8:26 *helps* and there are many more. These are all words that describe Movement; the act or process of moving. What a simple word to describe a huge idea. The Movement of the Holy Spirit in a life. The Spirit brings love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self control. (Galatians 5). How is He moving in your life? Freedom. Life. Peace (an absence of chaos). Movement into a life surrendered to the Spirit of God or movement into a life surrendered to self. His kindness leads us to repentance (Ro. 2:4) Repentance leads us to Freedom. To Life. To Light. Thank you for helping me to be proximate to these stories of Spirit Movement through your prayers and financial support.

## Prayer Requests:

**That these young women would continue to 'fight the good fight' (2 Tim 4:7). To continue down the path of Spirit Surrender and away from the path of self and sin surrender.**

**That I would continue to lead and influence these women well as they navigate life and faith during their college years.**

**For continued unity in our staff team as we partner together to love students as Jesus does, here at PSU.**

## A Healthy Budget

In order to continue at a healthy budget into the next year, I will need to raise \$10,000 by the end of 2022, beginning of 2023. Would you please consider a year end gift to help me get there? This allows me to start 2023 at a healthy place regarding my support levels due to working for a non-profit and my income being solely based on financial giving.

It feels surreal that next May I will have been ministering to college students in an official capacity for 25 years! So many things have changed in these last 25 years in the university/college setting here in America. But one thing that has always remained, is the need for Jesus and the movement of His Spirit in an ever changing world. If you feel led to give a gift, please go to: [www.navigators.org/forney](http://www.navigators.org/forney), or fill out the enclosed card and send it with the enclosed envelope. They are updated cards with a QR code for your convenience.

Merry Christmas!
