## Summer Ministry Update

This summer has been ... BUSY! We sold a house, bought a house, moved to York, moved our son into an apartment, celebrated 2 graduations, attended a college orientation, sent Ella off to counsel at camp Susque, and we celebrated our 26th anniversary. All the while, SGM continues its impact throughout the world... continue reading to know how you can participate in our effort to train godly church leaders to study, believe, and preach God's word.

## Coming Up Next...SGM to Uganda

In just a few weeks, we are sending a team of faithful men to Uganda: Lance Fessler, Joe Fauth (above), and Henry Johnson. Our brothers will be training 3 different groups of pastors throughout Uganda! One training will be with Congolese pastors, another with Acholi pastors, and another with pastors who live near the Otema Center in Bweyale. We are especially excited to have Henry Johnson teach with us. Henry is founder of "Aaron's Palm," a very similar work to that of SGM which serves pastors all over the world. Please pray for our team as they serve together from early to mid August.

### **An easy way to bless village churches: Give a Bible Resource to an International Pastor!**

Thanks to all who have generously given toward this effort! Sometimes we get large donations from a church or even a publishing company, but individual efforts are just as important to the work. We have literally given out stacks and stacks of Biblical study resources to pastors, and we continue to do so. Our list of needed books is regularly updated. If you're interested in helping us do this, would you consider donating a Bible Resource from our [wishlist](#) [at the following link]:
