Greetings my friends and beloved in the Lord Jesus Christ. We trust that you and yours are doing excellent in the strength and grace of our savior. It is indeed a delight to know and continue to trust God for all that we need and desire to have in carrying out His will. My family and I are very thankful for your prayers, encouragement, support and partnership in the work of the King, you helped to make our service so much desirable and joyful.

Over the course of the past few weeks, we have seen the mighty working of the hands of God. We have had a great 2 weeks studying the book of Revelation with Dr. Rick Gregory, who visited Guyana with his wife, Pat. Dr. Rick took us truths and principles from Revelation, through the guidance the Holy Spirit, was able to revealed the Lord Jesus Christ in a dynamic way as intended by the Word of God. The entire class of students were encouraged and challenged to continue to live godly lives and share the love of Jesus to unbelievers because the time of Christ coming and judgment is near. Dr. Rick and Pat Gregory also conducted a Parents Seminar at the Alness Conference Center. We had 3 evenings where couples, single parents and couples to be were encouraged, taught from God's Word and challenged to make a difference in the way we view and raised those in our home and under our care. We continue to praise God for the many faithful men and women who are standing with the ABC, as we seek to hold out the truth of Jesus here in Guyana. Please continue to pray for the various ministries under the ABC.

Our desire is to see as many come to know Jesus as Lord and Savior and to teach them to make disciples in order to see them win others for the glory of the Lord. So in keeping with our goal and vision, the ABC has a lot planned during the course of the year 2024, these have the potential to enhance our desired results.

- On the 26th-29th of February, pastor Josh Knorr will be teaching at the Bible Institute on "Elders and Leaders" in the church.
- March 12 we have a time of encouraging and prayers with the pastors of the ABC.
- April 5th is our quarterly Day of Prayer.
- April 20th-27, Eye surgery team to conduct clinic and surgery at the Port Mourant Hospital.
- May 4th-11th Dental clinic at Alness Conference Center.
- June 14th-22, crusade and kid's ministry team from the USA, for Alness Bible Church.

As you can see, these are all geared to attract large crowds and we will have the opportunity to share the gospel with them. Through the clinics, classes, conferences, and crusades, a lot of church experienced great harvest of souls and even motivation to keep on serving the Lord. Your prayers are very much needed throughout all that's planned. (Some pictures are attached to this report, just to give you a glimpse or the ministry)

Here at Crabwood Creek (CWC), our congregation is committed to continue the work God is doing in our lives. We thank God for growth and maturity among the believers. Many are willing to venture out and assist with other local churches whenever the need arises. Brother Haresh is filling the pulpit at Bush-Lot, every Sunday while leading worship and playing the guitar. When he is not available, on few occasions, Brother Vishnu is doing the same, preaching and providing music. We have Brother Lionel, Luke, Moses, Bryan, Dwayne, Sister Naomi, Betty, Baby, and Christina involved here in the choir. Lionel and Vishnu are also preaching once a month so this allows me to be able to take a break from CWC and be involve in things around the ABC. My desire is to preach once a month in a different ABC church. Alex is doing a great work in assisting with the day to day aspects of the ministry, while also preaching on Wednesdays, helping with Sunday school and youth class. Please keep each one in your prayers.

God's richest blessings to you, your family and ministry. Our prayers are with you.

Sincerely in Christ
Vishal, Naomi, Joshua, Hanna Debicharran
