

VBS: Scuba-Diving into Friendship With God

July 14, 2024 Pastor Todd McAllister

Friendship - a relationship that involves interdependence, voluntary participation, mutual interest, and respect.

“Greater love has no one than this, that someone lay down his life for his friends.” *John 15:13*

“No longer do I call you servants, for the servant does not know what his master is doing; but I have called you friends, for all that I have heard from My Father I have made known to you.” *John 15:15*

“You are My friends if you do what I command you.”
John 15:14

You see that faith was active along with his works, and faith was completed by his works; and the Scripture was fulfilled that says, “Abraham believed God, and it was counted to him as righteousness”--and he was called a friend of God.
James 2:22-23

God has shown that He is a friend who can be your friend forever. He meets the qualifications for being a faithful friend like no other.

- ◆ How have you responded to His offer of friendship?
- ◆ In what ways does your life show that you are a friend of God?
